**RS-232 MANUAL**

**I. SCOPE:**

To inform our customers about the availability of the API RS-232 manual from the Sales Department.

**II. TOOLS REQUIRED:**

None

**III. PARTS:**

013500000 RS-232 Manual

**IV. INFORMATION:**

API has an RS-232 manual that is available to our customers from the Sales Department. The manual covers the basics of the API RS-232 system, including the configuration, modes of operation, commands, DAS reports and the basic messages and variables.

If you would like a copy of this manual, please contact API's Sales Department at (619) 657-9800 or fax us at (619) 657-9816.

Should you have any questions, please feel free to contact us at these numbers.
