

2022 CISCO CEMS User's Group

Walt Bastron

President

September 13, 2022

What these two days are all about

- Sharing of ideas (both ours and yours) between each other and with CiSCO personnel
- Learning about what is happening at CiSCO
- Having industry experts and the EPA here to share some insights and ideas
- CiSCO will be listening to all of you about what you want to see in the coming months and years to make our products and services better
- Putting a face to a name (both for us and for you)
- Getting your questions answered
